INCREASES ARE NOTED IN BOTH THANKSGIVING AND REGULAR INCOME AT THREE-QUARTER POINT

Total Increase Was $1,369.71, Divided Between Regular and Thanksgiving Gains of $777.90 and $591.81, Respectively.—Increase of $2,500 in Thanksgiving Offering Is Expected

Presbytery	December Receipts Regular	Thanks.	Am't. Received Per. Mem.	Total Per Mem. for Year
Concord	$466.07	$7,767.67	66.5c	113.3c
Winston-Salem	228.27	2,671.30	56.7c	104.5c
Orange	317.61	7,192.06	59.5c	82 c
Albemarle	257.34	1,792.25	45 c	79.4c
Mecklenburg	318.85	7,754.73	43.8c	75.6c
Kings Mountain	250.21	1,443.85	28.1c	64.2c
Granville	105.76	2,339.73	38 c	59.3c
Fayetteville	598.61	2,823.37	26 c	46.5c
Wilmington	227.69	1,330.20	19 c	40.7c
SYNOD	$2,770.41	$35,115.16	43.6c	74.2c

At the three-quarter point of '39-'40, Synod's giving to Barium Springs was $1,369.71 greater than the total on December 31, 1938 - $591.81 being an increase in the Thanksgiving Offering over that which had been welcomed through December of 1938, and $777.90 being an increase in the regular giving for the first nine months.

By Saturday, December 30th, $38,173.62 of 1939 Thanksgiving Offering had been delivered to Barium Springs. With an expected final total somewhere in the neighborhood of $46,000 it meant that around $8,000 more of Thanksgiving Offering was yet to be sent to Barium Springs. In the first 12 days of January, $3,305.01 of that contemplated $8000 had reacheed the Home, which meant that a good many places were yet to be heard from.

Concord Presbytery had the unusual distinction of being the only Presbytery already ahead of last year's final total on the Thanksgiving Offering. Concord was considerably out in front with an advantage of $698.19. Other Presbyteries lacked the following amounts to bridge the gap between the 1939 and 1938 Offerings: Mecklenburg, $1,786.81; Kings Mountain, $1,289.50; Granville, $645.20; Wilmington, $574.60; Albemarle, $570.26; Fayetteville, $532.68; Winston-Salem, $515.47, and Orange, $134.67.

It is predicted that Fayetteville, Kings Mountain and Orange Presbyteries will pass the 1938 Thanksgiving Offerings by the time the books are closed on that special season next March. It is hoped unexpected sums from the other Presbyteries will send them ahead, but that does not seem likely around the middle of January. This will be the second year in succession that Concord and Orange Presbyteries will show increases in their Thanksgiving Offerings.

For the sake of comparison, the following shows the final 1938 Thanksgiving sum from each Presbytery and the amount that had been received at Barium Springs by December 30, 1938:

Presbytery	1938 Final	1939 To. to Dec. 31st.
Albemarle	$2,429.12	$1,858.86
Concord	8,933.53	9,631.72
Fayetteville	3,409.46	2,876.78
Granville	3,133.31	2,488.11
Kings Mountain	2,931.75	1,642.25
Mecklenburg	9,795.01	8,008.20
Orange	7,448.27	7,313.60
Wilmington	1,987.15	1,412.55
Winston-Salem	3,457.02	2,941.55
Synod	$43,524.62	$38,173.62

Concord Presbytery led all others in per capita giving during December, and the big advantage for that Presbytery also enabled it to take top rank for the first three-fourths of 1939-1940. The giving of last month meant a considerable shakeup in the usual standing of Presbyteries, for Concord displaced Winston-Salem Presbytery from the leadership role and there were a number of other internal changes. Orange Presbytery rose considerably because its per capita giving in December was a runner-up to the leader. Orange went from sixth place to third. Wilmington slipped back from seventh place to the bottom rung.

Orphanage Work Secretary Says:

(Guest writer, Mrs. George H. Currie, Secretary of Wilmington Presbyterial.)

Clarkton, N. C.
January 8, 1940.

Dear Fellow Workers:

The first of the year is stock taking time. An inventory is required of all business concerns. Are we 358 Orphanage Secretaries taking stock of one of our most important concerns - Barium Springs Orphanage? If so, what do the tabulated figures mean to us? Are we satisfied with our plant and its output?

The eight hundred thousand dollar plant, as we know, consists of 1200 acres of land, 600 of these being in cultivation. And on these acres nine-tenths of the food consumed is raised.

There are sixteen brick buildings. Some of these have been repaired. Others need repair. And one building - the Alexander - needs to be replaced by a quadrangle of four buildings. A most gratifying feature is that a good friend from Charlotte subscribed the cost of one of the buildings. And at our Spring Presbyterials the 27,350 Auxiliary members plan to raise a sum sufficient to build another unit. We also hope that some plan will be devised to build the other two units, so that the fiftieth anniversary celebration in 1941 will find the quadrangle complete.

We are fortunate in having a capable faculty of 14 members, and 16 matrons of various kinds to carry on the work of the Institution. Also the departmental heads and officers who serve from a business standpoint and in addition from a most human standpoint.

Basketball Tourney To Be In February

Thirty-two Teams Will Participate in Preliminaries.—Is Ninth Tournament

The 1940 Mid-Piedmont Basketbal Tournament will be staged at Barium Springs February 15 - 19, according to an announcement made by R. G. Calhoun, director of the tournament. Mr. Calhoun stated that the dates of the tournament had already been set following inquiries from a number of teams who want to participate in it and who wanted to arrange their schedules so as to permit their entering the annual basketball affair at Barium Springs.

This will be the ninth consecutive Mid-Piedmont basketball tournament to be run off at Barium Springs. Thirty-two teams, equally divided between girls' and boys' teams, play in the preliminaries, and some of the outstanding teams within a radius of 75 miles of Barium Springs always are entered. Winners of last year's tournament were the Berryhill quintet of Mecklenburg county and the Catawba girls. They defeated North Brook and Rock Springs, respectively, to cop the crowns. This was the third time in the eight years of tournament play that the Catawba girls were victorious and thus kept a loving cup for their permanent possession.

Mr. Calhoun stated that the usual awards will be made at the tournament's end to the winning teams, to the individuals on the winner and runner-up aggregations, to the best dressed girls' contingent and to those winning the foul-shooting contest. Medals are also given to those members named on the all-tournament team.

Another tournament scheduled for Barium Springs will be the midget basketball carnival on March 7th, 8th and 9th. This includes eighth grade girls and boys' crews of junior weights.

HEALTH INVENTORY MADE AT BARIUM IN JANUARY

Physical Check-up Reveals Some Interesting Statistics.-Children Gain 2639 lbs. in Year

We have just completed our annual health check-up. And we have gained 1230 pounds of girl and 1409 pounds of boy during the year. This was revealed by a pair of scales and not by a check-up of the roll call!

The greatest individual gain this year was a tie between a boy and a girl. Each gained 26 pounds. The average gain for the boys was 9.6 pounds. The average gain for the girls is 7.4 pounds.

There was an apparent sit-down strike for three girls and one boy who showed neither a gain nor a loss. And on examination this turned out not to be exactly a sit-down strike but rather it indicated that these four young people had reached the "ceiling" of their growth for the time being. They are among the oldest children here.

There was a slight loss in weight for three girls. Investigation disclosed that this was not an indication of ill health but rather a change of style, with the 1939 style running to streamlining rather than poundage! Two boys were found to have lost weight, which was the result of recent illnesses rather than any chronic ailment.

Over 10 qounds each were gained by 64 boys and 42 girls. There is one very interesting trend that we have noticed in these examinations. That is this: The girls between the ages of 6 and 14 outgrow boys of the same age. From 14 on the boys take the lead. The girls apparently reach their ceiling growth earlier than the boys. Girls of 18 years as a rule do not grow very much, whereas boys of 18 seem to be still in the midst of a growing period.

We have not attempted to tabulate the number of operations and treatments that are bound to be necessary as a result of these examinations.

In the tubercular clinic there were 25 children X-rayed, with the X-rays disclosing nothing dangerous in any event. Some of the children have to be watched carefully for a year or two.

We will probably have some 20 tonsil operations as well as some 15 to 20 eye examinations and treatments.

Warts, moles, crooked toes, flat feet, and what-have-you are all noted! And then plans are made to do something about each one of these more or less minor ailments. It keeps us busy for a good

$100 SUNDAY SCHOOL CLUB

Below are listed the names of 30 Sunday Schools who had, by the end of December, already made the $100.00 Club. This club is composed of those Sunday Schools that regularly give Barium Springs as much as $100.00 a year, which is exclusive of what such organizations do for the clothing fund or at Thanksgiving-time.

At least as many more Sunday Schools are expected to be included in that Club by the end of 1939-1940. There were 61 enrolled last year and the likelihood is that there will be more in the current one because several new Sunday Schools have adopted a regular plan and others have been increasing their month-to-month gifts to such an extent as to warrant a position in the club by the year's end.

This listing of $100.00 Sunday Schools should not be interpreted as an index to the giving of an organization. That is determined

111 Churches Surpass 1938-1939 Aggregates

Thanksgiving Offerings and Sunday School Giving Is Largely Responsible

Special congratulations are due 111 churches in the Synod of North Carolina who had given more to Barium Springs in the first months of 1939-1940 than had been contributed in the entire fiscal year 1938-1939. The majority of these can be listed today because of the excellent Thanksgiving Offerings that were made, and quite a few others are among the 111 because they adopted a regular plan of assisting this Home through the Sunday School at the outset of 1939-1940.

The 111 churches gaining this distinction by the end of December are as follows:

Albemarle Presbytery—Ballard's (same), Bethlehem, Grantham, Hollywood, Jason, Runnymeade.

Concord—Bridgewater, Concord First, Conley Memorial, Drusilla, Fairview, Franklin, Glen Alpine, Landis, Morganton, Oakdale, Oakwood, Quaker Meadow, Salisbury First, Setzer's Gap, Sherrill's Ford, Spencer, Statesville First, Tabor, West Marion.

Fayetteville—Berea, Bluff, Buie's Creek, Cape Fear, Carthage, Cedar Rock, Centre, Culdee, Ephesus, Four Oaks, Grove, Gilmore Memorial, Horseshoe, Iona, Lakeview, Midway, Philippi, Spring Lake, Union.

Granville—Ernest Myatt, Fairview, Grassy Creek, Oakland, Oakwood, Springhill, Saint Andrews, Young Memorial.

Kings Mountain—Bostic, Columbus, Ellenboro, Goshen, Machpelah, Saluda, Stanley Creek, Unity.

Mecklenburg—Atlan, Bethlehem, Biscoe, Brainard, Cameronian, Central Steel Creek, Ellerbe, Indian Trail, Locust, Macedonia, Matthews, Myers Park, North Charlotte, Roberdell, Six Mile Creek, Stanfield (same), Tabernacle, Waxhaw, West Avenue, Williams' Memorial.

Orange—Bethlehem, Burlington First, Chapel Hill, Cummock (same), El-Bethel, Euphronia, Hawfields, Haywood, Joyce Chapel, Riverview, Stoneville.

Wilmington—Bethany, Bladenboro, Bowden, Brown Marsh

Local Basketball Season Under Way

Girls Are Defending Champions in the South Piedmont Conference

At the time of going to press with the January copy of The Barium Messenger, the Barium Springs' basketball girls had been successful in their first two games of the 1940 season in the South Piedmont conference and had thus ran their string of successive victories to 16 within the conference. They were crowned champions last year by winning all 14 of their contests and losing none. Victories in 1940 had been won over Spencer and Lexington.

In similar games among the boys' contingents, the Barium boys won over Spencer by a wide margin, but lost to Lexington by two points on January 12. The local quintet is rated by conference experts as one of the strongest teams of the conference this season.

The remainder of the conference schedule is as follows:

Jan. 16. Children's Home at Winston-Salem; Jan. 19, Spencer at Spencer; Jan. 23, Albemarle at Albemarle; Jan. 26, Lexington at Barium; Jan. 30, Kannapolis at Kannapolis; Feb. 2. Albemarle at Barium; Feb. 6, Thomasville at Thomasville; Feb. 13, Kannapolis at Barium; Feb. 20, Statesville at Statesville; Feb. 23, Children's Home at Barium; Feb. 27, Statesville at Barium, and March 1, Thomasville at Barium.

(FORM OF BEQUEST)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, *Incorporated Under the laws of the state of North Carolina,* (HERE NAME THE BEQUEST.)

Happy New Year! That's a trite or stock-in-trade statement at the outset of each calendar period, but we hope that the readers of The Messenger do not accept that wish from everybody at Barium Springs as a hurriedly-written expression. 'Tis the genuine and hearty hope of the big family in our home here that this year of 1940 will be a grand one, in every way, for all of the hundreds and thousands of friends of Barium Springs.

There should have been gladness and happiness in the hearts of all of those people who played Santa Claus to the boys and girls at Barium Springs. It was a grand time for these children in our Home and many were heard to remark that it was the "best Christmas they have ever spent". Every child's letter to Santa Claus was answered by some individual in the numerous organizations which annually write and ask for a certain number of the Santa Claus letters. In fact, toward the last, requests for Santa Claus letters had to be refused, since all of them had been sent out.

The Calendar year of 1939 has been a good one for the Home at Barium Springs. During 1939, Synod made a Thanksgiving Offering superior to that of 1938 (it has not all been forwarded yet but that will be true when all of the donations have been sent to us); during the same year, Synodical authorized the raising of $10.-000 for one of the units to replace Alexander; at Christmas-time of 1939 it was revealed that a Charlotte friend would give $10,000 for another one of the units, and the regular month-to-month receipts in the first part 1939-1940 were over $750.00 ahead at the three-quarter point that ended on December 31, 1939.

Congratulations are due those 60-odd churches which went forward to new peaks in their Thanksgiving Offerings in 1939. Many other places would like to have been classified in that grouping, but circumstances made it impossible for them to advance to new high levels at Thanksgiving-time. If all churches in the Synod could have reached new high-water marks, the 1939 Thanksgiving total would have been a staggering one, to be sure. Offhand, it is believed that Barium Springs would receive $75,000 if every church could have given its best Offering of the past 15 Thanksgiving seasons.

Public expression of appreciation is being made in this issue of The Messenger for the faithful efforts made in behalf of this Home by Synod's Committee on Orphanage work and by the local committees in all churches who also worked diligently and faithfully to "swell" their respective Thanksgiving Offerings. We wish we could write every individual a personal letter. We hope each one will accept these genuine thanks as a personal message of appreciation from everybody at Barium Springs.

News From Some Of The Cottages

WOMAN'S BUILDING

Dear Friends,

Here we are again to give you the up-to-minute news from the Woman's Building.

Gee, how time does fly. Here it is another year making it 1940. We certainly do hope it will be a good year for us all. Taking everything into consideration the past year has been a very pleasant one.

Oh, by the way, did Santa bring every one what they wanted? He certainly did bring us a bunch of nice things. In fact I think we had the biggest Christmas we have ever had. We got all kinds of presents. We certainly do appreciate them all and we hope you all had a nice big Christmas yourselves.

Each student here in the home certainly does appreciate the book of show tickets given to him or her by Mrs. Sams of Statesville. Even if we can't thank you personally, we will thank you in our news. Here's hoping you'll read this because we want you to know we have enjoyed using these tickets and will continue to until they are gone.

Some of the high school girls enjoyed spending several holidays with their families or friends. Also, lots of us have had visits from friends.

We had right many of the boys and girls back with us during the holidays. Most of them were from college.

Our "dad" has gone on a trip to the Sugar Bowl in Louisiana. We hope he will have a wonderful trip. We believe he will, because where there is football he will be o. k. and satisfied.

Last Thursday our basketball team played High Point Orphanage girls. We won but it was a hard game.

Our health record has certainly been good this winter. No one has been very sick. We will soon have our yearly examinations. We have already been weighed up and measured.

A lot of us took part in the annual Christmas pageant, directed by Miss Carpenter.

So long until next month, we'll be back so be looking for us.

Here's hoping you will all have a prosperous year.

LEE'S COTTAGE.

We greet you at the beginning of this new year with smiles on our faces and with happy hearts.

First, we want to thank you all for making this the very happiest Christmas we have ever had at Barium. The gifts you sent were just the very things we were wishing for. We had a happy holiday season.

We started back to school on January 2nd.

A good friend of ours has made it possible for us to secure a new Philco radio. We are getting many hours of enjoyment from it. We want to thank our friend for doing this for us.

Mr. Sams, who is always inviting us to see many good movies throughout the year, made us very happy by presenting every boy and girl with a book of tickets for Christmas. We want to express our appreciation to him.

Our winter sports have started now and we are looking forward to a good season of basketball and wrestling.

We welcome Wilford McLelland into our cottage from Alexander Cottage. We hope he will enjoy living over here.

A number of us had visits from relatives during the holidays, which we enjoyed very much.

We are glad to report that Ray Lewis is improving rapidly, and we are looking foward to having him back in the cottage at an early date.

We rejoice with our friends, the Alexander boys, over the bright prospects of their getting the new buildings. We hope in the near future that they will be able to vacate Alexander Cottage.

We will be back next month.

Your news commentator now signing off.

—Jack Weeks.

HOWARD COTTAGE

Hello Folks,

It seems only yesterday since we wrote you last.

We started back to school Tuesday, 2nd.

Mr. Sams gave us a book of show tickets apiece. Thank you, Mr. Sams. We are enjoying going to the shows.

We won a table tennis set for our prize for second best decorations at Home-Coming. We have enjoyed playing with it, too.

Betty Lou Davis, Frances Bowles, Hannah Price and Lillian Cranfill have all had a visit from their people.

We are glad to have Mrs. Holton back with us to be Annie Louise matron.

We had a very Merry Christmas and a Happy New Year. We hope you did, too.

That will be all for this time.

—Lee Vinson.
—Toni DeLancey.

ANNIE LOUISE

Hello Readers,

Well, Christmas has come and gone, so you see we are back in school again. We all had a very nice Christmas and old Santa was real good to us. And we all had a fine time Christmas shopping, too.

Mr. and Mrs. Sams, we wish to thank you very much for the book of show tickets you gave everyone at Barium for Christmas.

All of us are glad to have Mrs. Holton back with us, though we hated to see Mrs. Robinson leave us so soon.

We have been having snowy weather and we had a snow last night, but it didn't last very long.

Since we wrote you last we have a little new girl who has came to live with us. Her name is Betty Lou Williams. We all hope that she will enjoy living with us.

You will hear from us again next month.

BABY COTTAGE.

Hello Folks! This is the babies!

We have had a most delightful Christmas. We came from breakfast Saturday morning and had a little program, then a party, and best of all, the Christmas tree. Our visitors were Mr. and Mrs. Johnston, Mr. Cook, Mrs. Spencer and Miss Carpenter. Also a few of the Howard girls came that had sisters or brothers at the Baby Cottage.

We got the most toys. Footballs, dolls, tea sets, trucks, games and just about everything. We hope "Santa" was as good to all of you as he was to us.

We certainly miss Kenneth Mayhew who left us Christmas to live with his mother. Don't forget us, Kenneth.

We have had plenty of coughs and colds since we last wrote to you. Just a few of us have had to go to bed, though.

We all enjoyed seeing the snow and would have enjoyed still more playing in it had not "Mr. Sun" come out and melted it.

We were glad Mama Kelly came to see us Saturday. Although she couldn't stay long we know she wanted to remain longer.

So many of us have had visits from our folks. As well as we can remember they are the following: Helen and Hilda Barnes, Cassie Mae Hilliard, Ray Powell, Peggy Ann Collins, Carolyn and Mac Wicker, Jackie Williams, Buddie Maples, and two of our big girls, May Lynn Jones and Janie Smith.

One of our big girls, Louise Martin, ate supper with Mr. Cook and his family. She reported a nice time.

We thank all of you who helped play Santa Claus to us. Your gifts were greatly appreciated.

HEALTH INVENTORY

(Continued From Page One)

part of the year attending to these corrections.

Summing the whole business up, this annual check-up is one of the most satisfying experiences that come to the Barium folk. The health program each year is very successful. In practically all of these cases, the methods used to remedy physical defects have been and are being successful. And when a record is kept of these, and we check back on a record and find how he or she is progressing and growing and developing, there is even more satisfaction in this than in the contemplation of a healthy bank account or overflowing barns! We somehow feel that God is an even closer partner with us in this program for the physical well being of the children than in many of the more spectacular departments of this great institution.

We wish we had space to enumerate the names of the persons who have a hand in making our health program what it is. Our Infirmary nurse, the doctors who call on us, the Davis Hospital staff, the dentists, and the specialists in various departments all contribute their share in this most satisfying work. And as a result, we believe we have as wholesome and as satisfactory a health program as it is possible to get in this country of ours.

INFIRMARY.

Dear Friends,

We had a very merry Christmas and everyone seemed happy. We had our Christmas tree Saturday about five o'clock. Mr. Cook, Mr. and Mrs. Johnston, Leila Johnston, Mrs. Grier, Mrs. Milton. Mabel Milton and Mrs. Milton's mother came to our tree and joined in with us in our program. We had the program in Ray Lewis' room and Mr. Johnston gave him his gifts. They each had a date on which they were to be opened. We had our tree and came back to see Ray. He already had them all opened.

We have been having quite a number in bed at the infirmary with colds. We had about seventeen in bed Sunday.

This is our second snow this winter. We have been having some snowy weather but this is really a big snow. It snowed all Sunday morning and it's still on the ground. It sleeted on top of the snow and made it awfully hard to walk on.

We are having our annual health examination. It will take a few days because Dr. Herman is only working in the mornings.

Mr. and Mrs. Sams gave each of us a book of show tickets. We surely do thank you. We can certainly use them.

Mrs. McNatt's son visited her during the holidays. We were glad to have him with us.

Mrs. Robinson has been sick and has been staying with us. She is much better now and will soon be ready to start her work again.

We'll be with you again next month.

STEVENSON-ALEXANDER

Former Matron of Rumple Hall Was Married at Little Joe's Church in December

Many friends will be interested in the following extracts from The Statesville Daily of December 4th:

In a service solemnized Sunday evening at 7:30 o'clock at the Little Joe's Presbyterian church, Barium Springs, in the presence of an assemblage of friends from Barium community and Statesville, Miss Mildred Stevenson was wedded to Mr. Cecil E. Alexander. The ceremony, which included the ring ritual, was performed by Rev. Thomas C. Cook, pastor of the Barium church.

The bride was escorted by her brother, Mr. Francis Stevenson, who gave her in marriage, and had as her maid of honor and only attendant, her sister, Miss Faye Stevenson. Mr. Alexander had his brother, Arnold Alexander, as best man.

The bride is the daughter of Mrs. Janie Patterson Stevenson, and the late W. R. Stevenson. Her home is on the Taylorsville highway a few miles west of Statesville. She was educated at the Sharon schools and after her graduation completed a course in teacher training. For the past several years she has been connected with the Barium Springs orphanage, as matron in one of the cottages. Attractive and popular with many friends, she has been honored with several parties since the announcement of her engagement this fall.

Mr. Alexander is the son of Mr. Thomas Alexander and the late Mrs. Alexander, of the Sharon community, and was educated in the Sharon schools. He is connectwith the meat department of Fraley's store in this city.

After the ceremony Mr. and Mrs. Alexander went to their attractive new home, just completed, on U. S. highway 70, three miles west of Statesville.

Income Distribution

Barium Springs' regular income for nine months was $26,348.76, divided between $12.858.16 from the Sunday Schools, $8.424.42 from the Church budgets and $5,066.16 from the Auxiliaries. It is interesting and very encouraging that the regular reports at the three-quarter point of the year showed an increase of $777.90, the Sunday Schools being responsible for $765.07 of that advantage.

ORPHANAGE SECRETARY

(Continued From Page One)

year with a sum varying between five and eight thousand dollars. The State helps with about seven thousand five hundred towards the school, which is maintained on the grounds. In addition to these amounts the 87,000 Presbyterians in North Carolina contribute annually about one hundred thousand dollars.

But our most important item in this stock taking is the 316 orphan children there dependent upon our care and training.

This brings us to the intangible report. To those items that no ledger can value.

Among these we wish to list the heartfelt interest of our people in the welfare of these 316 souls - future citizens of our great commonwealth.

Next the prayers of our people and the visits to the Orphanage. About 2,000 people visited the Orphanage during the year. And how those little ones do enjoy having company.

Then the very organization of our Orphanage work. North Carolina is the only State to have Orphanage Secretaries. And to have a Barium meeting during the Woman's Conference at Montreat.

Our conclusion to this inventory is that we possess a fine growing concern and that the amount already invested demands adequate maintenance now.

New Year's is also a time of resolutions. So let us make the following resolutions:

I hereby resolve to help carry forward the Barium program as advised by the Officers, namely,

To contribute seven and one half per cent of the budget.

To contribute one dollar per month per Circle.

To use Thanksgiving envelopes among Auxiliary members, taking them up at Auxiliary meetings in November.

To have at least one program on Barium during the year, preferably in November.

To have the local Secretary give news items at each meeting on Barium, as suggested by Mrs. Raynal.

To urge all members to pray constantly for Barium and to visit the Orphanage.

Respectfully submitted,
MARIE S. CURRIE
(Mrs. George H.), Orphanage Secretary, Wilmington Presbyterial.

Midget Football

LITTLE VARSITY

The record of the team that has consistently had the best victory record of any follows: It is the team that keeps us in a good humor no matter how the season may turn out, because we know these boys will soon step up into the varsity and will keep the Barium banner flying. Some of the games they played were against reserves, and in many of these games the weight advantages were decidedly against Barium. But it so happens that their closest encounters were in the games where the weight limit was strictly adhered to. And the only defeat they suffered was in one of these games.

MORGANTON

The 125-pound team started out on September 23 with Morganton reserves. This was Morganton's first game, and Barium's victory was 18 to 0.

The return game at Morganton one week later was 19 to 0 in favor of Barium, with both teams showing much improvement.

OXFORD

And then the long trip took place down to Oxford. This is always one of the toughest games on schedule, and this year it was no exception. Oxford has been going places in athletics. Not only is the 125-pound team the leader, but their varsity rates right near the top in the state standing. It is a far cry from the year when our 125-pound team used to play their varsity and defeat them. This year Oxford was victorious 7 to 0. The 100-pound team accompanied the 125-pound team on this trip. And in the afternoon of the day they played these games, they were the guests of the University of North Carolina seeing the Carolina-NYU game.

CONCORD - STATESVILLE - OXFORD

On October 18th we tangled with our old friends from **Concord** and defeated them 20 to 0 in a most interesting game. And then on the 24th we met the **Statesville B** team, defeating them by the identical score. On October 28th, **Oxford** returned their game to Barium, and this was a scoreless tie.

The long trip from Oxford to Barium slows up the team, just as the long trip from Barium to Oxford slows up Barium. And the fact that Barium was unable to win over Oxford even on our home grounds indicates that this year at least Oxford has the top midget team of the state.

KANNAPOLIS

On October 31st Barium defeated Kannapolis 46 to 0. This big score would indicate that Kannapolis was weak. They really put up a good game, but Barium was clicking that day and they could n't do anything wrong.

CHARLOTTE (Midget Carnival)

On November 3rd there was a midget carnival at Barium. The Barium teams played three teams from Charlotte. The 125-pound boys wound up the day with a 59 to 0 victory over Charlotte. And that was another game in which the score doesn't indicate the relative strength of the two teams. Charlotte really had a good team, but Barium seemed to have a jump on them every time they attempted anything.

Alumni News

BIRTHS

Mr. and Mrs. Sidney Parrish, Jr., of Route 4, Winston-Salem, announce the birth of a daughter, Judith McQueen, on December 6, 1939. In case you don't remember, that's "Red" Parrish, who finished at Barium in 1935.

Mr. and Mrs. M. Morris Lee, of 411 North Daisy Street, Goldsboro, announce the birth of a daughter, Jane Betts, on October 23, 1939. Morris has been living in Goldsboro for some time, being located in Dunn for a while after he left Statesville.

Mr. and Mrs. Charles Painter, of Long Island, announce the birth of a daughter in December. Mrs. Painter is the former Hattie Michael. She and her husband were recently saddened by the death of her husband's father, who was superintendent of the mill at Long Island.

A birth announcement that should have appeared in The Messenger long, long ago was that of a son to Mr. and Mrs. Carroll Black, of Mount Holly. That young man, whose name is Robert William Black, was born on April 5, 1939, and was perhaps the youngest child in attendance at Home-Coming last December. Mrs. Black is the former Hattie Prim.

MARRIAGES

Doris Smith, who left Barium Springs last springs, was married in the fall to Roy Coates, of Raleigh. Mr. Coates is connected with the Atlantic Greyhound Bus Company. Mr. and Mrs. Coates make their home at the Sir Walter Raleigh Hotel. She was among visitors at Barium Springs last Home-Coming Day, when the marriage was revealed.

Morris Freeman, who graduated at Barium Springs in 1934, was married to Miss Alice Rebecca Feimster, of Statesville, on last November 18th, the marriage taking place at the home of Rev. C. M. Richards, D. D., of Davidson. Morris is a native of the Mint Hill section near Charlotte, he attended Davidson for a while after graduating here and is now employed in Charlotte. Mrs. Freeman is a graduate of Statesville High and Mitchell College. This is a romance which started when Morris was still at Barium Springs.

Alice Jones, one of last year's graduates, is now taking a business course at Draylin's Business College in Winston-Salem. She worked in Derita for awhile before starting this course. Alice was among the alumni spending the Christmas holidays at Barium Springs. Helen Price and Nellie Johnson were also here from Flora Macdonald. Quite a few of the college boys spent Christmas at Barium, too.

Paul Pittman is now addressed Flying Cadet Paul Pittman, Air Corps Training Department, Love Field, Dallas, Texas. Paul worked in Greensboro for a while after graduating from Davidson College, but was sick for quite a while. Apparently he is now in A-1 physical condition to be accepted for the flying corps, for such candidates are put through rigid examinations.

"RAY NORMAN MAKES TALK ON MITCHELL" was a front-page headline in the January 9th issue of The Statesville Daily. Yes, that's the Ray Norman that recent alumni knew, and it was not some foreign dignitary. Ray is now a student at Mitchell and he spoke to the Lions Club at Statesville on the service of Mitchell College to Iredell County and to North Carolina.

Alumni everywhere will learn with deep regret of the comparatively sudden death of Walter "Steve" A. Culbreth in Statesville on Tuesday night, January 9th. He was stricken on the previous Sunday and died early Tuesday evening. Mr. "Steve" claimed to be an alumnus of Barium through his contention that he had more Barium blood in his veins than his own body had manufactured. This came about a few years ago when he was seriously ill and many blood transfusions were given him by Barium boys and girls, with the result that his life was spared. On the day of his death one of the Barium boys went to Statesville to give Mr. "Steve" a blood transfusion in an effort to ward off a fatal illness. He was the loudest rooter for Barium at all contests and no alumnus could hardly be more loyal than Mr. "Steve" was to this Home. Alumni will deeply mourn his death.

Quite a few new addresses have recently been obtained and will be of interest to many alumni. These include:

Mrs. L. D. Sullivan (Mary Lathan West), 3233 Woodrow Ave., Richmond, Va.

Mrs. Elise (Brown) Spero, 166 West 75th St., New York, N. Y.

Mrs. James L. Smith (Helen Deserne), Kingsport, Tenn.

Gordon Jones, U. S. S. Roper, Norfolk Navy Yard, Portsmouth, Va,

Mrs. T. E. Guinn (Janie Roberts), 303 Princess Anne Road, Norfolk, Va.

Harold Bustle, 614 Nicholson St., N. W., Washington, D. C.

Mrs. Genevieve (Perry) Kilbride, 20 Sherman Ave., New York.

STATESVILLE - CONCORD

On November 7th the return with **Statesville** resulted in a 13 to 2 victory for Barium. And then on November 15th Barium again defeated **Concord** 21 to 0. In this game the Barium team had lost two of its regular players. The varsity had swiped them. Due to injuries the varsity had to recruit Henry Pittman and Joe Ben Gibbs from the biggest midget team. The team felt proud that they could win from Concord by as large a score as they did earlier in the season when they had their full strength.

KANNAPOLIS - ALBEMARLE

On November 18th Barium defeated **Kannapolis** 28 to 7 in a game that looked for a time as though the game was going to Kannapolis. Kannapolis scored first and it was in the latter part of the game that Barium came through to run up their three touchdown victory. On November 28th the team journeyed to **Albemarle** to take on a previously undefeated Albemarle team. It was one of the best looking midget teams we have seen. All they lacked was experience. And Barium defeated them 20 to 0 through the superlative playing of the veterans on the Barium team. The varsity had taken some of the best of the midgets, but those who were left did double duty in this game.

PULASKI, VA.

December 2nd this team had a treat. They had received a challenge to go to Pulaski, Virginia, to play a midget team there. The man who issued the challenge was named R. M. O'Hair, Jr. It so happens that he was a member of one of the first midget teams that Barium played away from home. It was Rock Hill, S. C., where this encounter took place. For several years Barium teams met teams on which O'Hair played. This young man finished college and went to coaching, and remembering these contests, he wanted his team to meet a Barium team. The 125-pounders went to Virginia, and they defeated the Pulaski team 38 to 0 to round out a gorgeous season. The trip was pleasant, the Virginia folks were most cordial and didn't seem to hold it against the boys for spoiling their game on Home-Coming Day.

LITTLE MIDGETS

The first games of the year are with the **Children's Home.** And on that first encounter Barium 100-pounders defeated the Children's Home 19 to 0, while the 85-pounders got a 6 to 0 victory. These games were played at Barium on September 30th. That afternoon both of these squads went to Davidson to see the big Methodist and the big Presbyterians play a game, which didn't turn out in favor of the Presbyterians. That was when Duke played Davidson.

On October 21st these two teams went to Winston-Salem for return games. They had the tables turned on them, with the **Children's Home** winning the 100-pound game 20 to 0 and tieing the 85-pound team 0 to 0. In the meantime the 100-pounders had lost a heart-breaker to the Victory Schools in **Gastonia.** Victory got 2 touchdowns as a lead on Barium. And then Barium came from behind to take the lead 14 to 12, until the last play of the game when the Victory team completed a forward pass, finally defeating us 19 to 14. On the trip to **Oxford,** the 100-pound team was defeated 13 to 0. And then on the return to Barium, Oxford defeated Barium 7 to 6. Barium's touchdown in that game was the result of a blocked kick.

And that brings history up to the big day when **Charlotte** visited Barium. The 85-pound team started off the day right by winning 21 to 0. And then the 100-pounders followed with 31 to 0 victory. And that must have steamed up the big midgets, because they took their game, 59 to 0.

This completed the season's games for the 85-pounders. But the 100-pounders went on to defeat the **Statesville C** team 26 to 0 in one game and 19 to 0 in another. They finally got revenge over the **Victory** team 21 to 6.

And there you have it! A grand season with very few injuries, with lots of fun, and we hope with lots of new friends.

RECEIPTS BELOW COVER PERIOD OF DECEMBER 1st THROUGH DECEMBER 30th.

REGULAR CHRISTMAS GIFTS.

In the miscellaneous items below, readers of The Messenger will not find a listing of the Christmas gifts that were sent to the children. It would be an almost impossible task to list each separate item, but a direct acknowledgment has been made to those who brought happiness and cheer and joy to those boys and girls at Barium Springs. Public expression is hereby made of the appreciation of everybody here for a most delightful Christmas season.
